FCC - MAIL ROOM

Michael K. Powell, Chair
Federal Communications Commission
445 12th Street SW 20554
Washington, D.C.

SUNSHINE PERIOD

Mr. Powell,

I am very upset by the movement to centralize the media of the United States. Freedom depends upon the views of many sources of information and I am in favor of continuing the status quo. The centralization of the current administration and its powers is frightful and not democratic.

Sincerely yours,

Walter Ostrem
